

The Canberra Gay and Lesbian Qwire is Canberra's queer community choir consisting of about 100 singing members of all ages and sexual and gender identities.

For the past 20 years the Qwire has fostered a supportive environment for its members, promoting pride in, and a positive image of, queer identity in the Canberra community and beyond.

The Qwire has the advantage of being a well balanced SATB choir, aiming for a quality of sound across a diverse repertoire.
